

ScoMIS Strategic ICT Roadshows 2010

Free for Staff in Schools in Devon, Plymouth and Torbay

ScoMIS are hosting FREE ScoMIS Strategic ICT Roadshows in April 2010 for schools to explore ways in which ScoMIS can support schools to maximise impact on teaching and learning.

If you are an senior leader, administrator, network manager of ICT coordinator, you are welcome to attend to find out how we see the next year in schools' ICT.

Our Strategic Roadshows will focus on:

SIMS for School Leaders

... because you need to make decisions based on the data you hold

SIMS in the Classroom

... because teachers need first-class information about their children

Networks for Teaching and Learning

... because your IT infrastructure needs to be reliable

Data Security

... because safeguarding data is of prime importance

SIMS for Parental Engagement

... because for 2010 or 2012 you need to be engaging with parents

Merlin

... because the possibilities are endless

We will also be welcoming SupplyZone who will have a stand and run a short presentation on their services.

Schools will be able to send up to 3 delegates. To attend one of these sessions, **for which there is no charge**, please book a place as soon as possible. Contact Course Bookings on 01392 385300 or email scomis@devon.gov.uk
